Academic Teaching Experience

Academic Developmental and Growth Professional, A-B Tech Community College, Asheville, NC (Fall 2014-current)

Adjunct Instructor, English 111A, Writing and Inquiry Lab (2020-present)

Writing Laboratory designed to apply the skills introduced in ENG 111. Emphasis is placed on the editing and revision components of the writing process. Upon completion, students should be able to apply those skills in the production of final drafts in ENG 111.

Adjunct Instructor, English 111, Writing and Inquiry (2020-present)

Course is designed to develop the ability to produce clear writing in a variety of genres and formats using a recursive process. This is a Universal General Education Transfer Component (UGETC) course that satisfies English Composition.

Adjunct Instructor, Developmental Reading and English Studies (2014-2019)

Integrated Reading and Writing II (097) and Integrated Reading and Writing III (098), collaborating with students to develop proficiency in integrated and contextualized reading and writing skills. Topics include reading and writing processes, critical thinking strategies, and recognizing and composing well-developed, coherent, and unified texts. Diverse student population includes learning English as a second or third language, ages 17 to 50 plus.

Writing and Reading Tutor, English Studies (2018-current—A-B Tech and Independent)

Adjunct Instructor, English 112, Writing/Research in the Discipline (2016)

Course is designed to develop research techniques, documentation styles with emphasis on analyzing data and incorporating research findings into documented argumentative essays and research projects. This course satisfies the Comprehensive Articulation Agreement general education core requirement in English Composition.

Adjunct Instructor, ACA 122 Transfer Success (2016-current)

Instruct students in College Success, Study Skills and College Transfer Success classes according

to the NCCCS stated curriculum for ACA 122.
